## MULTIPURPOSE HAND PROTECTION

Despite its imitators, The Original<sup>®</sup> glove remains in a category all its own. Tried, tested and proven for over 20 years, it provides the perfect blend of flexibility and protection. The Original's durable synthetic leather palm and breathable TrekDry<sup>®</sup> back-of-hand combine to create the ultimate tool for hardworking hands. A new tapered thermoplastic rubber (TPR) closure and increasingly stronger hook and loop provide a secure fit to the wrist. With a gamut of practical uses, it's no surprise that The Original<sup>®</sup> is the most recognized and most frequently worn work glove by anyone with a toolbox.
